Dear Sir:

On the Transmittal of Continuing Patent Application – Rule 1.53(b) (copy attached), extra claim fees in the amount of \$290.00 were authorized in connection with the Additional fee for filing one or more multiple dependent claims. This charge was authorized in error. This application does not contain any multiple dependent claims. The correct claims should show a total of 3 claims and 1 independent claim with no additional claim fees due.

Please credit the overpayment to Deposit Account No. 13-3723.

Respectfully submitted,
